

# Product Change Notification

<b>Product:</b>	Isolated Connector Cable Assemblies
<b>Originator:</b>	Vincent Ji
<b>PCN Number:</b>	PC-ICCA-001

<b>Part Numbers Concerned:</b>	All cable assemblies with isolated connectors.
<b>Issue Date:</b>	24 May 2022
<b>Pages:</b>	1

## Background and Nature of change

It has been brought to our attention that in some applications this part may not operate to the full requirements of IPX8. These applications were not envisaged at the time of testing and creating the specification for the product. We therefore believe that it is only fair and correct to reduce the IP rating for this product to reflect this situation.

## Series numbers concerned

CAB435RF  
CAB438RF  
CAB442RF  
CAB443RF  
CAB444RF  
CAB494RF

## Implementation Date

Immediately.

## Impact:

The IP rating of this product range is now IP67 instead of IP68.

## Further Information:

Please see enclosed updated drawing.
