

Obsolescence Notification

Product:	Sim Card Holder 6 or 8 Pins
Originator:	Vincent Ji

Series Numbers Concerned:	CH03-BF
Issue Date:	20 Feb 2014
Pages:	1

Background and Nature of change:

As of 20TH Feb 2014 the CH03-BF sim card connector is obsolete without replacement.

Due to low sales revenue and life end of mould maintenance costs over the year, we decided to discontinue this product to better focus on our other popular products.

Part numbers concerned:

CH03-BF060-0AR
CH03-BF060-0BR
CH03-BF080-0AR
CH03-BF080-0BR

Implementation Date:

Immediate.

Last time Buy:

Available

Date for receipt of final orders:

30th April 2014

Last shipment date:

31st July 2014

Replacement:

For new designs, please see the CH03-BE range. Please approve the new part number as it may not be form, fit and function compatible.
