

Obsolescence Notification

Product:	Sim Card Holder 6 or 8 Pins
Originator:	Vincent Ji

Series Numbers Concerned:	CH03-BK
Issue Date:	23 Apr 2014
Pages:	1

Background and Nature of change:

As of 23rd April 2014 the CH03-BK sim card connector is obsolete without replacement.

Due to low sales revenue and life end of mould maintenance costs over the year, we decided to discontinue this product to better focus on our other popular products.

Part numbers concerned:

CH03-BK060-AAR
CH03-BK060-ABR
CH03-BK080-AAR
CH03-BK080-ABR

Implementation Date:

Immediate.

Last time Buy:

Available

Date for receipt of final orders:

30th June 2014

Last shipment date:

31st Oct 2014

Replacement:

For new designs, please see the CH03-BE range. Please approve the new part number as it may not be form, fit and function compatible.

Further information:
