

## Obsolescence Notification

<b>Product:</b>	Push Push Sim Connector
<b>Originator:</b>	Tony Chang

<b>Series Numbers Concerned:</b>	CH03-DC
<b>Issue Date:</b>	15/07/2013
<b>Pages:</b>	1

### **Background and Nature of change**

Due to low sales historical sales volumes and spread of customers, we have taken the decision to phase out the CH03-DC family from our range. We have only been supporting existing designs since 2012 and have taken the decision to withdraw this product altogether due to increased tooling maintenance costs. The CH03-DD family is available for new designs.

### **Part numbers concerned**

CH03-DC060-AAR  
CH03-DC060-ABR

### **Implementation Date**

15<sup>th</sup> July 2013

### **Impact**

Not available for new designs.

Existing customers will have to opportunity for a last time buy prior to final discontinuation. Orders to be placed by 31/10/2013. Orders to be shipped by 31/01/2014.

Please refer to CH03-DC Last Time Buy Notification for more information.

### **Replacements:**

The final version of the drawing (V1.4) for CH03-DC can be found [here](#)  
For new designs, please see the [CH03-DD range](#). Please approve the new part number as it may not be form, fit and function compatible.
